Title:	**Scia Engineer 14.0.1058 (0-patch) has been released**
Available from:	Scia Engineer 14
Category:	Scia Engineer
Date:	11/02/2015

Content:

- Setup from build 14.0.1058 is available for download.
- DVD content has been updated as well.
- Web setup is also available.

Data version number: 168.

Remark

Fixed issue related to very slow setting of new projects or opening of existing projects, which could appear mainly at Windows 8.1 after particular Windows update from Microsoft side.
